

CHOOSE BOLDLY CHOOSE BOLD

Blending performance and appeal, GEON® Bold Alloys are ideally suited for your next exterior design application: decking, fencing, windows or trim. The versatility, durability, accessibility and dependability of GEON® Bold Alloys make it possible to take your designs to a whole new level – confidently and economically.

- Long-term color hold performance, even for the darkest colors
- Superior weathering performance for harsh winters or hot summers
- Cool pigment technology keeps surfaces up to 30% cooler to the touch
